Copy Costs – Members of the Public

This government entity charges members of the public for copies of government data. These charges are authorized under Minnesota Statutes, section 13.03, subdivision 3 (c).

The District does not charge for copies if the cost is less than \$5.00.

You must pay for the copies and data before we will give them to you.

For 100 or Fewer Paper Copies – 25 cents per page

100 or fewer pages of black and white, letter or legal size paper copies cost 25¢ for a one-sided copy, or 50¢ for a two-sided copy.

Most Other Types of Copies – Actual cost

The charge for most other types of copies, when a charge is not set by statute or rule, is the actual cost of searching for and retrieving the data and making the copies.

In determining the actual cost of making paper or electronic copies, we factor in employee time, the cost of the materials onto which we are copying the data (paper, CD, DVD, etc.), and mailing costs (if any). If your request is for copies of data that we cannot reproduce ourselves, such as photographs, we will charge you the actual cost we must pay an outside vendor for the copies.

The cost of employee time to search for data, retrieve data, and make copies is based on billable time of the employee doing aforementioned work based on current billing found using the Board of Water and Soil Resources (BWSR) billing rate calculator.
